### Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                             |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>SAYS</b></p> <ul style="list-style-type: none"> <li>• Lawyers charge too much for a simple agreement.</li> <li>• I do not understand this legal language.</li> <li>• Is this document safe to sign?</li> </ul> | <p><b>THINKS</b></p> <ul style="list-style-type: none"> <li>• What if I miss an important clause?</li> <li>• Will this hold up legally if there is a dispute?</li> <li>• There must be a faster and cheaper way.</li> </ul> |
| <p><b>ARUN</b><br/> <i>(Small business owner needing legal documents)</i></p>                                                                                                                                        |                                                                                                                                                                                                                             |
| <p><b>DOES</b></p> <ul style="list-style-type: none"> <li>• Searches online for free templates</li> <li>• Copies clauses from old agreements</li> <li>• Visits a lawyer and waits days for a draft</li> </ul>        | <p><b>FEELS</b></p> <ul style="list-style-type: none"> <li>• Anxious about making a legal mistake</li> <li>• Confused by complex legal jargon</li> <li>• Frustrated by the cost and delay</li> </ul>                        |
